

PROP PACKS!!!

Rice: For the wedding scenes!

The first wedding scene is at the beginning of the movie when Ralph and Betty Hapschatt get married. You'll see a church and a bunch of people, so start throwing rice.

The second wedding scene is for Dr. Frankenfurter and Rocky Horror. You'll see the party-goers throwing rice, and you can too!

Newspaper: For your head during "There's a Light."

Brad (Asshole!) and Janet Weiss (Slut!) will get out of their car in the rain. Janet will cover her head with a newspaper, and you can too!

Toilet Paper: To throw when Dr. Scott pops through the wall!

Dr. Scott will break through a pink wall after he goes up the stairs and around the bannister. Throw the toilet paper up and back! Do not throw anything toward the screen :)

Toast: For the dinner scene.

Dr. Frankenfurter will gather everyone around the table, and he will say, "A toast, to abset friends." That's when you throw your toast. Again, throw it up and back, not toward the screen, or the actors they will bite you. Really.

Cards: For Dr. Frankenfurter's song "I'm Going Home."

Dr. Frankenfurter will sit on the stage, and sing, "Cards for Sorrow, Cards for Pain," You should throw your cards! I shouldn't have to mention again, what direction you should throw them. Because you're smarter than that.

Candy: Why? Because we like you and we want you to be hyped up on sugar!
